WRECKAGE: A Musical Tragicomedy
Subject of the Show:

WRECKAGE: A Musical Tragicomedy asks the political question: How are we going to survive and rebuild in the rubble left from the economic, social, and psychological devastation of the idiotic kleptocrats?

Short Synopsis:
Is it just us, or does it feel like everything is falling apart?
Hallucinating robots, economic collapse, protesting frogs, people praying for the End of the World -
This is not the future, or the democracy, we were promised!
But the real question is: When it's all over will there be enough left to build something new out of this... wreckage?

Long Synopsis
Is it just us, or does it feel like everything is falling apart?
Mari, a flower seller barely managing to hold on in an increasingly unaffordable city, must defend her street corner from invading evangelical Felicity, who is herself torn between joyfully anticipating the Rapture and the discrepancies she's found in her church's accounting. Meanwhile Bobbie, a successful software developer who realizes his new AI agent is far from intelligent, is caught between telling his bosses at Anthropomorphic the dangerous truth, or delivering a dud that will - despite endangering the world - boost the stock. And patriotic immigrant Lance joined the National Guard and now finds himself deployed against protesters who are exercising the very freedom of speech he joined the military to defend!
Hallucinating robots, economic collapse, protesting frogs, people praying for the End of the World -
This is not the future, or the democracy, we were promised!
But the real question is: When it's all over will there be enough left to build something new out of this... wreckage?

Q: Why do you call yourself a Mime Troupe if you talk and sing?

We use the term "mime" in its classical and original definition, "The exaggeration of daily life in story and song." It is a form of popular theater that is as old as the marketplace itself. From the ancient Greek and Roman farces to the Renaissance commedia dell'Arte to modern Chinese Opera, using archetypes comically to illustrate people's issues is a time-honored worldwide tradition. Our broadly drawn characters are instantly recognizable allowing the audience to immediately engage in the action. **Our work is political satire and anything but silent. SF MIME TROUPE HISTORY: sfmt.org/press-history**

NEWS - SF MIME TROUPE 2026:

1. **The San Francisco Mime Troupe receives The Prize of Hope 2026 from Åsen Theatre in Denmark** for a body of theatrical work created over years in the San Francisco Bay Area under the motto: Theatre is the Town square. The Prize of Hope is awarded to a person or a theatre that has worked for human hope; daring, loving, vulgar, serious, poetic… with sparkling energy against habitual thinking, which is the greatest threat to our culture: for a world where people use their own eyes, ears, and voices.

2. **Michael Gene Sullivan received the CHARLES DEAN AWARD** for Outstanding achievement in acting and dedication to Bay Area Theatre. This prestigious award in given by Berkeley Repertory Theatre and the Robinson Family Fund for the arts.
